

# P.E. and Sports Premium 2023 – 2024

Updated: 25.06.2024

# Our Aims for the P.E. and Sport Premium 2023-2024

## Our Aims Are To:

- Develop or add to our offer of physical activity and sport provided at Rivacre Valley Primary School.
- Build capacity and capability within the school to ensure that improvements made now will benefit our pupils for future years.
- Identify, target and engage our SEN and Pupil Premium children with physical activity and to provide a range of opportunities to be active.

# Aims of the P.E. and Sport Premium 2023-2024

## 5 Key Indicators for the P.E. and Sports Premium

1. Improved engagement of all pupils in regular physical activity.

2. The profile of P.E. and sport being raised across the school.

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.

4. Broader experience of a range of sports and activities offered to all pupils.

5. Increased participation in competitive sport.

# Key Indicator 1: Improved engagement of all pupils in regular physical activity

We aim to...	Actions	The impact will be...	Estimated Cost	Progress Made
To improve the activity levels of the children during playtime and lunchtime, generally the outdoor provision.	Play/lunch time activity bags to be refreshed and restocked at the start of the year with equipment to encourage active play during the children's break times.	A large increase in activity levels at playtime and lunch times.	£219.99	Children have regular access to equipment to play with, explore and be physically active during the break times all year round.
	Teachers, TA's and MDA's will be reminded of the purpose of these activity bags and will be encouraged to support and motivate children when using the equipment.  Build a new sensory play trail as another option for active play while also supporting our children with additional sensory needs.	An improvement in fundamental in physical literacy such as balance coordination etc.  Improved attitudes towards sports and new activities. Children to be more willing to 'give it a go'.	£19,990.00 + £10k grant used for this	Children's attitudes and engagement to physical activity has improved. Beneficial for our SEN children to access for their sensory needs and enjoyment.
To build in further opportunities for physical activity during the school day	Reminder email to the school teaching team about the importance of children needing to be more active and less sedentary during the day. Examples to websites and videos including, BBC Super Movers, Go Noodle, Cosmic Kids Yoga and Just Dance have been emailed to staff.  To order a new bike shelter for KS2 children to park their bikes at the top of the school.	Classes across school have built in active brain breaks which has not only helped with getting the children more active but also helped with concentration levels.  To encourage more KS2 children to ride their bikes to school and choose active travel.	£3,136.00	More KS2 children are riding their bikes to school and choosing active travel.
			<b>Total Estimated Cost:</b>	<b>23,395.00</b>

# Key Indicator 2: The Profile of P.E. and sport being raised across the school.

We aim to...	Actions	The impact will be...	Estimated Cost	Progress Made
Invite Ex-Olympic Athlete and cycling coach, Phil Bateman into school for another year to help raise the profile of sport and activity in conjunction with our 'Wheelie Wicked Week'.	<p>Organise and promote the 'Wheelie Wicked Week'. This includes videos from our staff members endorsing the event and a brief video on bike safety.</p> <p>Promoting active travel through videos - children traveling to school on 2 wheels rather than 4!</p> <p>Pictures from the event will be posted on Facebook and our school gallery to promote the profile of sport in our school.</p>	<p>Children will find a lot of enjoyment in the day and will be motivated to build on their skills and cycle more often.</p> <p>Improvement in core cycling skills in all ages from Nursery to Y6.</p> <p>Profile of active transport raised. Increase in number of children traveling to school on bike and scooter.</p>	£1,232	<p>In line with the new KS2 bike shelter, we have had more children riding their bikes to school and an increase in attitudes to riding.</p> <p>Parents were able to see their children enjoying themselves via Facebook and spread the word about active travel.</p>
Annual Sports Day to raise the profile of sports in school for all children.	<p>To continue with our new format of Sports Day which showed positive results last year. X4 teams earning points for an overall score and trophy.</p> <p>Provide awards (medals and stickers) to motivate and encourage the children to try their best and go home happy and excited to their parents.</p>	<p>Improved attitudes towards P.E., sport and physical activity and to give all children a sense of accomplishment and celebration.</p> <p>Create positive attitudes amongst parents for their child's achievement and inspire them to continue with sport.</p>		The format was received well by parents, staff and the children. Created a buzz around the school leading up to it and allowed children to get involved when they usually wouldn't.
To display the activities and events that elevate and celebrate sports in our school.	<p>Continue to take part in a range of festivals and competitions with other schools in our local area in line with the EPSSP.</p> <p>To display all events and celebrations of sport on Facebook and the school website for parents to see.</p>	<p>Raise the profile of sport within the area and to demonstrate to other schools what we offer to our children.</p> <p>Allow parents to see what we are doing and support the children in their passion for sport.</p>		Increased the profile of the school generally. Children love having their pictures displayed across the school - Especially the KS2 dance project and the Y3/4 Mini Kickers tournament.
