School Website

We have a school website with a selection for each class to give information about what is happening in school, report on events etc. As part of this we would like to include photos of our children. The website is password protected and only available for the school community to view NOT the general public.

I give permission for my child's photograph to be uploaded on the school website.

DVDs / Video Material

Occasionally we like to show a DVD to the children, eg. as a class reward for good attendance. They are usually rated U, but sometimes can be PG (parental guidance). If PG, a teacher will have viewed the film and deemed it suitable for the year group.

I give permission for my child to view PG rated material.
